POT O'GOLD

VOLUME SIX

Presentation

In this, the sixth volume of the Pot O' Gold, we present to the students of DeVilbiss a complete history of student activity. This is a book of remembrance—which will continue through the years to make real and vivid all the many little things and the big things which make up what it means to be a DeVilbiss boy or girl. Let you then who scan these pages reflect that with the passing of years you may herein relive this year at DeVilbiss. And so to you —the students of Yesterday who have accounted well for the Past, the students of Tomorrow who prepare for the future DeVilbiss, and above all, the students of Today who make concrete the thoughts of the Present—we present this 1938 Pot O' Gold.

—The Editor.

FACULTY

MWARUKE

To the Students of Yesterday, Today and Tomorrow:

Probably twenty thousand young people will graduate from the high schools of Ohio this year. Many of these boys and girls will enter college and university. Others will go directly from high school into the various fields of industry.

From this vast army of youth will come our social and industrial leaders and followers of tomorrow. The social set-up into which this group will go offers many challenges. The future of our democratic ideal is dependent in no small measure on the extent to which our society meets the needs of all the individual members. The responsibility for the solution of all the problems thus involved will be placed squarely on the students of today who will be the citizens of tomorrow.

These students of today who will be the graduates of tomorrow may do well to take advantage of every opportunity afforded them in our modern high schools that they be better equipped to assume the responsibilities that will of certainty become theirs.

The students of yesterday who are the men and women of today have met the challenge and have solved many perplexing problems. There are many as yet unsolved.

The opportunity for service to the students of yesterday, today, and tomorrow are most unusual and interesting. May all the success and happiness of the world come to the members of the Class of 1938.

—E. L. Bowsher
Superintendent of Schools

SUPERINTENDENT

Mr. E. L. Bowsher—

We extend our welcome and full co-operation to our new Superintendent of Schools, Mr. E. L. Bowsher.

Progressive force in education
Prominent in school administration
Public benefactor
An enthusiastic and understanding leader.

Mr. Merritt C. Nauts—

Thomas A. DeVilbiss High School will benefit always from the diligent and praiseworthy achievements of our principal, Merritt C. Nauts.

A broadminded educator
Respected for his loyalty
Remembered for his congeniality
Admired for his democratic spirit.

PRINCIPAL

The year 1937 was a significant year in the progress of DeVilbiss High School. In this year came to fruition a campaign for the repaving of Upton Avenue after a long and sustained effort participated in by the student body under the leadership of the Prism staff. This project was predicated upon proper drainage before the new pavement could be laid. The construction of the new drainage system for the entire area surrounding the school is now nearing completion. We can thus expect that in the immediate future the influence of the school will actually result in the very great improvement of the neighboring district. Participation in projects of this sort indicates that the youth of today can be expected to recognize and accept real responsibilities in coping with civic problems. No age has ever been so confronted with social problems challenging the honest efforts of young people to find a proper solution for them.

May DeVilbiss always inspire her graduates to accept the responsibilities of leadership for worthy civic enterprises.

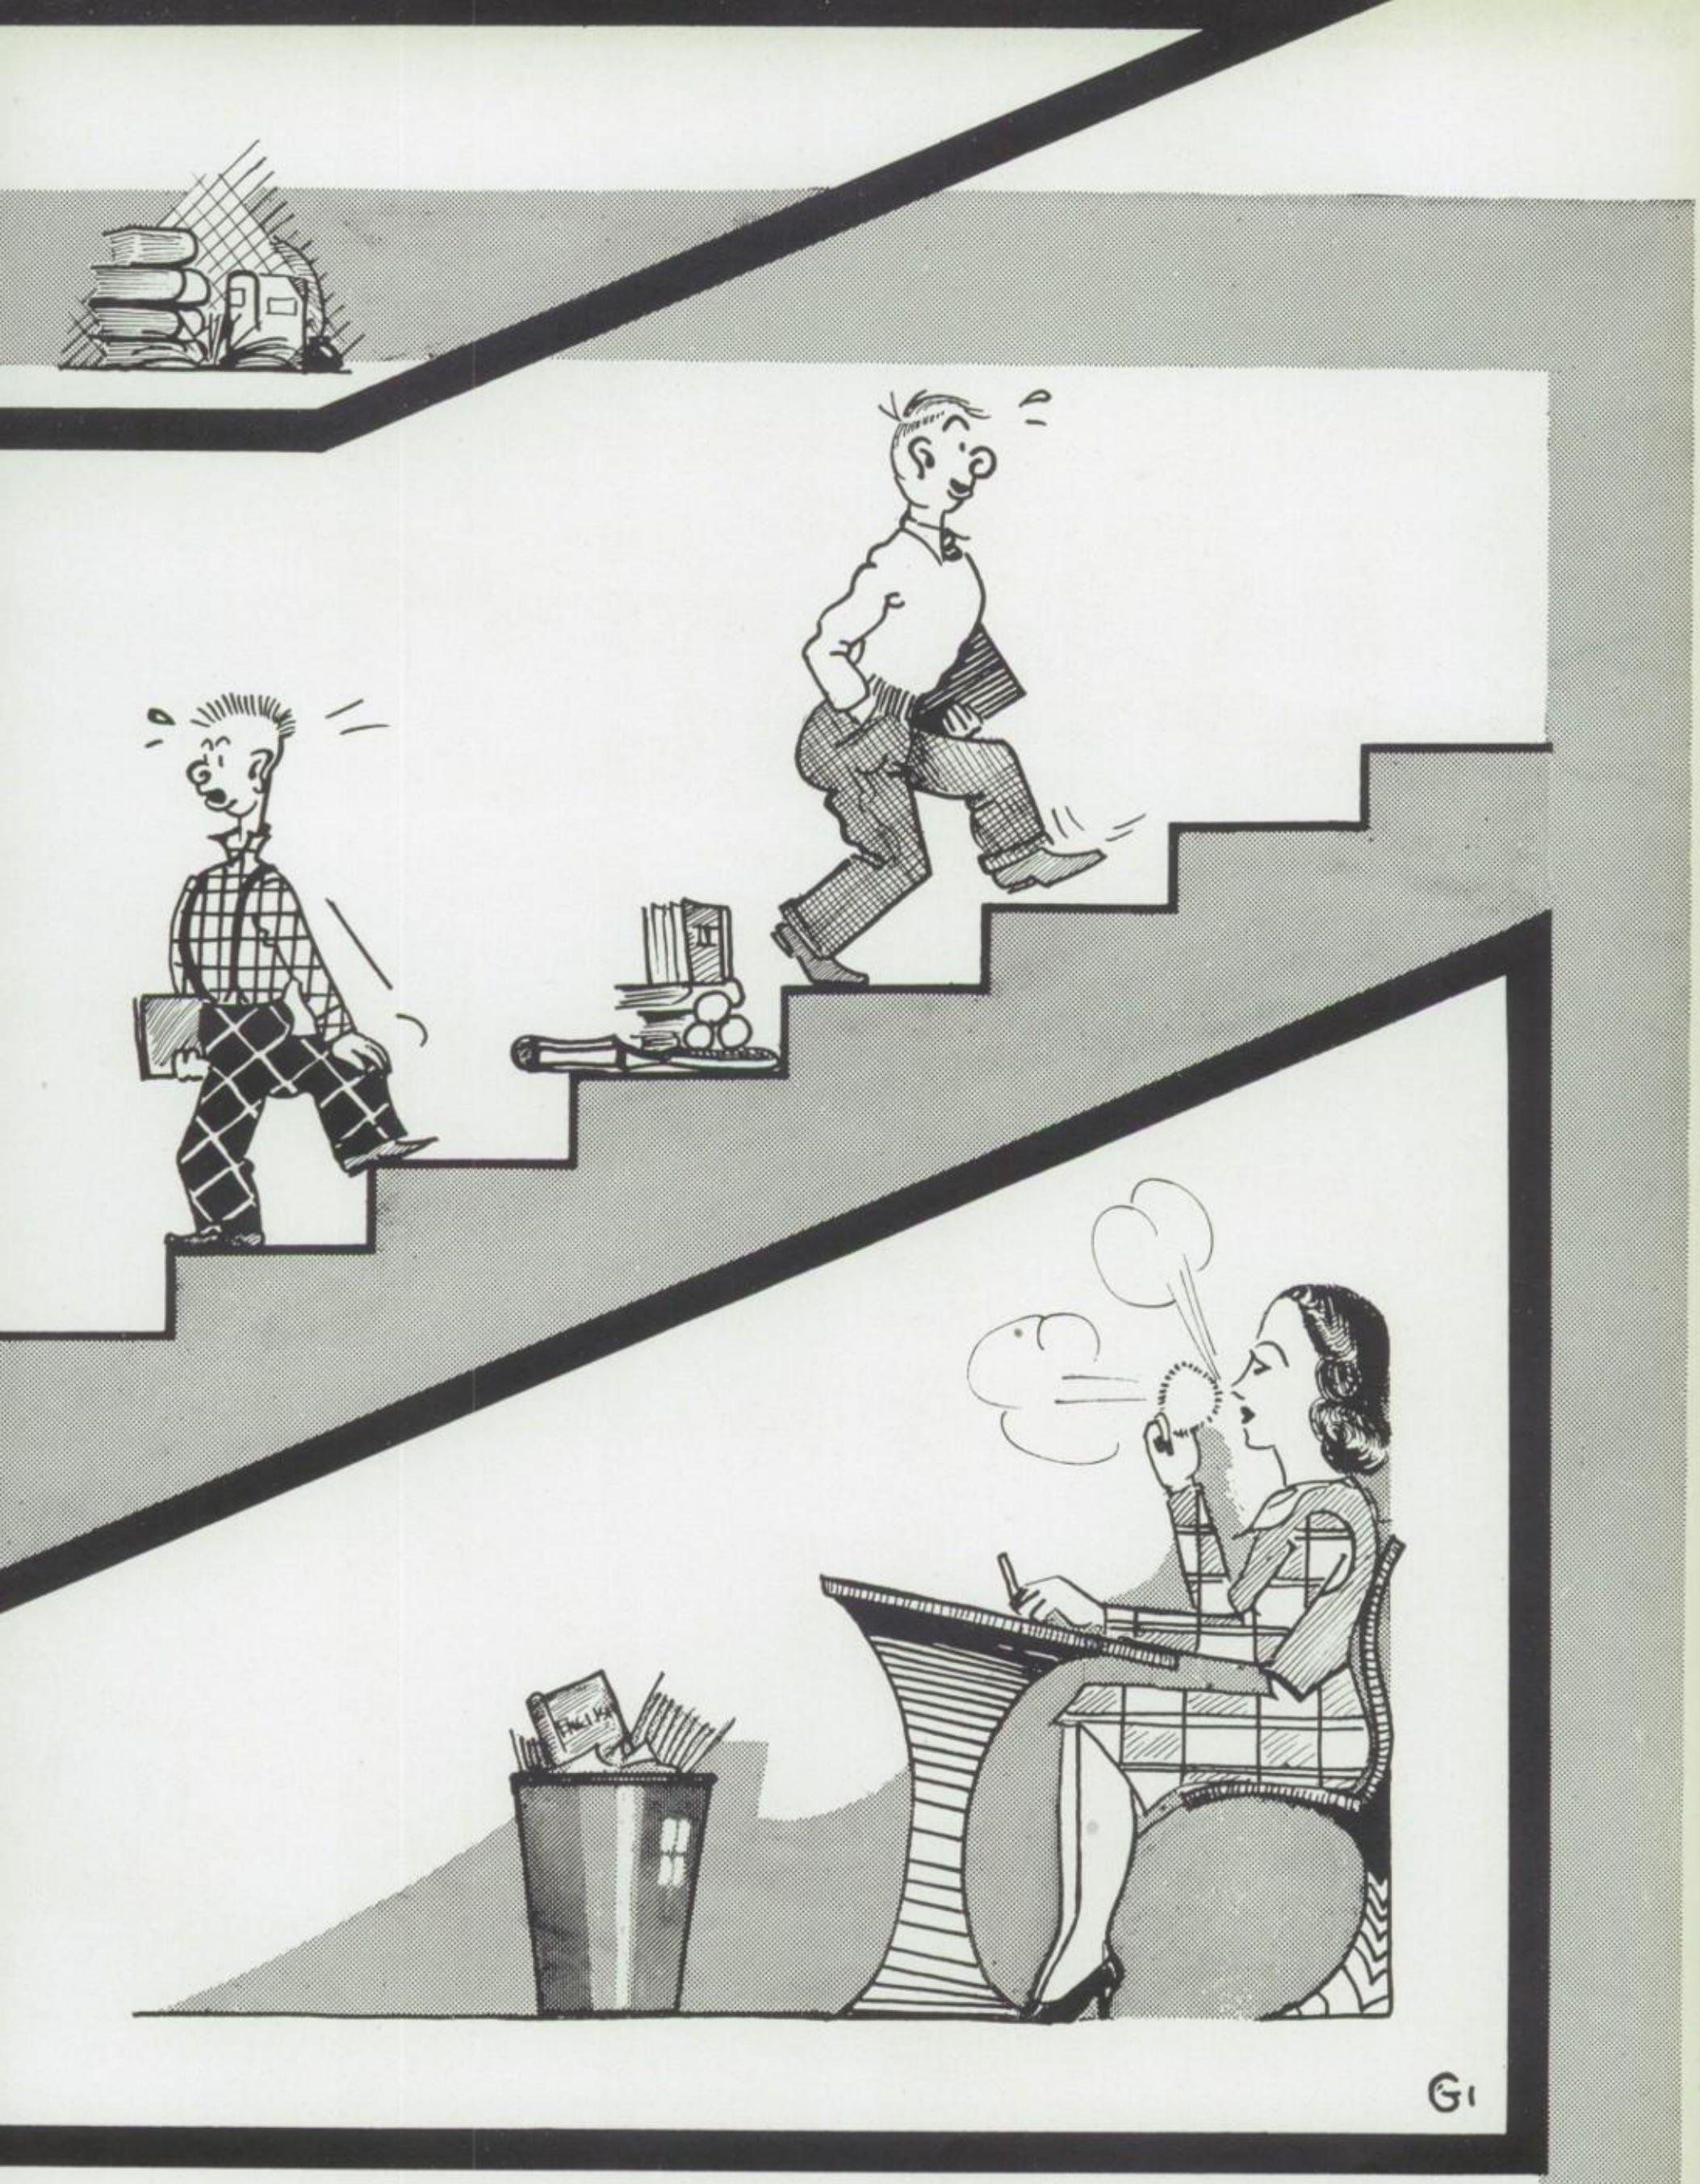
CLASSES



FINAL

The Class of Thirty-Eight bids DeVilbiss farewell. It leaves behind it a stream of banner activities and achievements for life at DeVilbiss has been eventful. Success followed in the footsteps of the Senior Play, "The Phantom Tiger." Shortly after the new year, the addicts of swing assembled for the Mid-Winter Dance and "old man rhythm" dominated the scene. With the departure of winter, the Mothers' and Daughters' Tea blossomed forth with all the essence of Spring. This function was followed by the Senior Prom, the gala affair which stands at the head of this glamorous procession. Soon after, the sons of DeVilbiss invited their honorable governors to sup with them, and good feeling prevailed. As the end eventually must come to all good things, so it comes to DeVilbiss in the Senior Banquet and Farewell Dance. The solemnity of the final weeks will be carried out in the Baccalaureate Service.

These events long will occupy a coveted corner in our memories, but they are only a prelude to graduation—a symbol of the commencement of our new life with great expectations from a great class.

We Juniors have had a year crammed with jollity and festive occasions. The traditional J-Hop was known to all as "De Dixie Doodle", a happy combination of syncopation by Colonel Snyir and all his lads, and southern atmosphere created by charmin' decorations that attracted DeVilbiss en masse. Enclosed by a picturesque picket fence, beaux and belles made merry 'til the moon waxed high. Each guest recalled strains of "Oh Suzanna" when presented with small replicas of that famed banjo. Really, we all had a most fascinatin' time!

There were other exciting ingredients in the Junior social swirl. First, was the After-noon Dance where we shagged a bit. Then came our class play "Green Stockings," a sophisticated comedy which gave DeVilbiss something different in the way of dramatic productions. The final jigger was the epoch-making Junior-Senior Farewell Dance. Here for the first time, we became mindful of the greater responsibilities to come in our Senior year. The desire to surmount the heights already attained will carry us through the last chapter in our high school life.

Another drop has tinkled merrily into eternity's bucket. But when we saw the end of the scholastic year, both melancholy and anticipation mingled in our hearts. Neither worldly upperclassmen nor verdant freshmen—it is a happy situation; we have not lingered so long as to be indifferent or entered so newly as to be bewildered. School is now like a true friend to be cherished lovingly.

This second happy year will not be forgotten lightly. It will lie, a smiling memory in the cosy recesses of thought. And some day when called forth in nostalgic dreams, it will prove its worth, not to be bought at any price.

There will be a special nook in our minds for the Sophomore Prom with its vision of gaily stepping feet and bright smiles. The sudden note of a wailing trombone will always flash back that joyous scene.

With this year has come to us a greater confidence in ourselves and a wider circle of friends. Associations have been formed which make our present days happy and which will enrich the future.

Although we Freshmen, as has every class before, entered DeVilbiss unknown—merely the new crop—we optimistically feel that we have caught the spirit of Thomas A. DeVilbiss. In overcoming the traditional handicap, we have had a really delightful time.

Our entrance into school affairs was with the "Frosh Fracas," an afternoon dance that made our so-called superiors look down their noses in an interested manner. Since the success of our one social frolic, we are looking forward to more active participation in the life of our school. Our only regret has been the limitation precedent places on our class functions for we are eager for additional responsibilities.

Through the assistance of able leadership and guidance we have attempted to uphold the established standards; and to work toward the goal of a more active, enthusiastic, and cooperative student body. There have been and will be many opportunities to show our true colors.

In addition to an idealistic attitude, we wish to be known by our actual steps toward the attainment of our ideals. Perhaps we presume too much, but we feel that we have the ability to establish an enviable name for ourselves.

Through the pattern of our school life run the bright threads of activities, lending color to our daily routine.

Today a high school education includes not only the compulsory courses and certain subjects of the student's choice, but also certain foundations in social relationships. Here at DeVilbiss, the varied activities and numerous clubs help students in their problems of self-adjustment. Under the guidance of our activities director, Mr. Louis J. Mathias, the various organizations flourish, continually bringing the needed variety to the school program. Thus, the after-school hours are pleasantly occupied in activities of the student's choice. Usually he can find at least one or more clubs in which he has a definite interest and can take an active part in its affairs. In such a group the student soon learns the art of getting along with other people and co-operating for the good of the group. Among other students having the same interests, he forms friendships which he holds throughout the four years of high school—invaluable foundations for later life. Then too, these organizations often help him to tie the work of the classroom with the program of the club. Perhaps this is one of the reasons for the undeniable popularity of the activities at DeVilbiss High School.

One for All, All for DeVilbiss

The responsibility of student government at Thomas A. DeVilbiss High School is vested in the Student Council, a group composed of a responsible member from each home-room. These members elect a president, who in turn appoints a board of twelve commissioners, whose duties better the general welfare of our school.

This year the Student Council has been an efficient and active organization. The social life was begun with the early fall Student Council Dance, an informal affair which served as the means for renewing old friendships.

Noted lecturers came to T. A. D. and thrilled audiences with their stories of exciting experiences. And, of course, you couldn't forget the clean-up campaign inspired by the funny wooden cop adorning the front hall, or the magazine subscription campaign whose profits went into a fund for securing a central broadcasting system.

The immediate purpose of our governing body is to offer leadership of, by, and for the students, while its indirect aim is to supply boys and girls with those qualities which are requisites for a worthwhile citizen.

The DeVilbiss Chapter of the National Honor Society signifies its purpose and ideals by the keystone bearing a flaming torch with the letters C, S, L, and S.

Each Senior class has fifteen percent of its members inducted into the society, candidates being chosen according to Character, Scholarship, Leadership, and Service—the standards represented on our emblem.

This year we have taken an active part in school affairs—distributing magazines to needy institutions at Christmas and on St. Patrick's Day, and sponsoring a successful afternoon dance. As a service to the student body, the Honor Society operates the College Room where interested students may find valuable information concerning colleges, universities, and available scholarships.

—MELVIN FIGLEY, *President*

The Eternal Triangle

The first social event on the Senior Friendship calendar was the Halloween Roast, held at Close Park, where a blazing campfire and Halloween games added greatly to the spirit of the occasion. In November a rummage sale was held, the proceeds of which were used for the annual Football Banquet, given for the Senior boys of the team.

At Christmas, the club gave a large basket, a decorated tree, and gaily wrapped packages to an unfortunate family. The Football Banquet was held on January 27, at the Student Union Building of Toledo University. Mr. Woggon, creator of the cartoon strip "Chief Wahoo," gave the history of its creation and sketched for the boys "Minnie Ha-Cha" and other characters from the comic strip.

Our organization participated in the Hi-Y Friendship Forum, sponsored by DeVilbiss at the Y. M. C. A. There have been other activities too, including tea for the girls' mothers; an Easter party with rabbits, colored eggs, games, and good things to eat for the children of the Community Center; and on April 6, 7, 8, and 10, Easter programs for the school. We enjoyed immensely the interesting programs given by Policewoman Margaret Slater and Miss Pasch.

After the last social event of the year—a progressive dinner—the Senior Friendship Girls part with regret, keeping always the memories of four happy years of fun and work together.

In working towards its threefold purpose "To create, to extend, and to maintain in the school and community high standards of Christian character" the Senior Hi-Y has played a very active part in affairs throughout the school and city.

For the weekly meetings, the club has had a well-rounded program of outside speakers, movies, discussions, industrial trips, and joint meetings with the Indiana branch. The main responsibility of these programs fell upon the shoulders of our efficient program chairman, Roy Ensign.

This club also has helped much in the success of the state Hi-Y conference, the Hi-Y and Friendship Forums, and the Vocational Guidance Program, as they were called upon to help plan these events. And so the spirit of good fellowship has been maintained throughout the year.

Of special interest this year were the two joint dinners held with the Scott Junior Friendship Club. At these meetings the questions of "Boys and Girls Together" was discussed and many new and fine friendships were made.

Side Cut Park at Maumee was the site of the Annual Fall Roast, while the new Y. M. C. A. pool marked another successful Hi-Y splash party.

We wish to express thanks to our adviser and pal, Dick Drouard, whose efforts, we feel, have not been in vain.

—CHARLES BOWERS, *President*

Bright Smiles For Sale Here

The "roving reporter" would certainly find enough news connected with the Junior Friendship Club to fill his newspaper. At first glance he might assume that the club was a purely social one, but on closer scrutiny he would change his opinion. Through knowing the girls and being present at their meetings, he would soon learn the true characteristics of a Friendship girl. He would see that she has a good character, high ideals, and that she constantly fulfills the Girl Reserve pledge by her worshipful, social, and leadership attitudes. By seeing her conduct during the opening period of devotions, the business meetings, and the recreational time, he would conclude that the Junior Friendship member is an "all-round" girl.

Our reporter would see the girls' unfailing interest in welfare work, and he might compliment them on their Christmas basket project, two enjoyable parties for a class of Miami Home orphans, and helpful work at the North Toledo Community House.

If he were to attend all the social functions that the girls planned—hay rides, spreads, progressive dinner parties, teas, and roasts—he would be completely fatigued. Then on the educational side of our meetings, the reporter would have enjoyed Miss Pasch's talk on "Personality," the "Professor Quiz," or the program on "College."

After this exciting year spent with our club, the "roving reporter" could return to his paper, well stocked with items about the Junior Friendship Girls of DeVilbiss.

As a part of the Young Men's Christian Association, we of the Junior Hi-Y have tried to carry with us through our high school life its code of high ideals. To our adviser, Mr. William Daniels, we owe much for the invaluable guidance he has given us during the last three years. We salute you, Bill, as our "Ace of Good Fellows."

This year we have had an unusual program of activity. The first Thursday in every month, our meetings were held at DeVilbiss; on other Thursdays we met at the Central Y. M. C. A. In this way it was possible to make our club a part of the school as well as a part of the community.

At our meetings we have covered a wide range of subjects for discussion. Miss Pauline Payne, a member of the DeVilbiss faculty, gave us some pointers on etiquette, followed by a talk on "How to Win Friends and Influence People" by Walton E. Cole. Several prominent men discussed fraternities and college life in general. At our joint Hi-Y meetings, films of Yellowstone Park, Niagara Falls, and Canada were shown by boys who had made these trips.

As a feature of our social program, we co-operated with other clubs of the city to make the Hi-Y dance, for the State conference delegates, a success. We hope our Senior club program will be as inspiring.

LLOYD HOLTON, *President*

All the World Loves Cheerfulness

The Sophomore Friendship Club has offered fun, recreation, and social privileges, as well as the more serious type of programs. The purpose "To give and give best" guides us as we play and work together. Some of the projects accomplished during the term of '37-'38 were an Armistice program, the adoption of a needy family, helping at the Friendly Center Settlement, and sending suitcases to the boys and girls of Spain.

Our Freshman Friendship Club stands for the same standards as those promoted by the Y. W. C. A., "Spirit, Mind, and Body."

To widen our knowledge of the triangle we represent, we planned to have a series of speakers to talk to our club. They were Miss Stoll, on "The Body," Miss Pasch, on "The Mind," and Rev. Cole, on "The Spirit." Miss Lukens showed us the movies of her trip around the world, giving us an opportunity to see how people live in other lands. We also were well represented at the Friendship-Hi-Y Forums.

Although we all love fun, we are not, altogether socially minded. To render service to others, we prepared and distributed Valentine baskets, filled with candy, to the patients at County Hospital, took part in the customary "Christmas Candle Lighting Service" at the Y. W. C. A., and assisted the Y. W. C. A. by serving at one of their banquets.

With the girls working together with our officers and advisers, we have had a very pleasant and enjoyable year. So, looking forward to a successful year in 1939, we say goodbye to, but will never forget our days in the Friendship Club as Freshmen.

It's Π To Us

"But indeed we prefer books to pounds; and we prefer small pamphlets to war horses." —ISAAC DISRAELI.

It is our wish that meetings of the Periclean Literary Society develop intelligent readers in this age of the annual overflow of the literary river. We wish to nurture friendship, good conversation, and true culture. One might say, "An overwhelming program!" to which we reply, "But what an inspiring one!"

With this spur Patsy Guitteau planned a series of stimulating discussions on "Twentieth Century American Culture." From this broad field she drew many topics for interesting programs.

In the attainment of our ideal of friendship, we hold frequent "get-togethers" in the girls' homes. A Christmas tree with the singing of favorite carols is a pleasant memory. A chop-suey dinner is another merry event to be smiled over. Our afternoon dance was one of the best attended afternoon dances of the year. It was achieved through that friendly spirit of co-operation which is one of the finest qualities of our membership. Friendship and good conversation have served each other well and in the end have become one.

In the future may we be closer together and farther toward our goal.

—LENORE BLACK, *President*

"*We prize books and they prize most who are themselves wise.*"—EMERSON.

The course of the Zetalethean Literary Society has been steered by the compass of good books. As our society holds a membership in "The Book of the Month" club, the members are able to acquaint themselves with the newest and best in contemporary American literature. The books, after being read and reviewed by members, are donated to the DeVilbiss library. A few of the splendid books purchased in this manner were "Life with Mother," "Northwest Passage," "Pepita," and "Hajji Baba." Our literary endeavors have been livened with sociability and good times. Two inductions of new members were held, a Christmas program presented, and the Christmas holidays brightened by a lively taffy pull. In March we gave a tea for the Zets of all schools in the city and found new friends over our tea cups.

Good books, good times—all these we have had and enjoyed.

—JENNY TUCKER, *President*

We Drew a Circle and Took Them In

"*Literature is the thought of thinking souls.*"—CARLYLE.

To develop our literary abilities in finding and appreciating the best in literature, is the aim of the Philalethean Literary Society. Our advisers have not only aided us in attaining this ideal, but have captained the success of our activities.

At each gathering, an interesting program of present-day plays and novels followed a business meeting. Modern drama has received special attention with detailed discussions of "Victoria Regina", "High Tor", "Tovarich", and "You Can't Take It With You".

This year an extensive social program has been carried out successfully. Two teas were given—one for Libbey, the other for the Scott "Phils." The Phils are definitely advocates of the spread. As a result of this policy, we find more and even merrier spreads under the chairmanship of Phil girls. The annual roast, practically an institution now, was held at Fort Meigs and adjudged an undoubted success by all present.

A cursory glance at these activities does give one an idea of the extent and variety of the program, together with an inkling of the fun and jollity that prevailed always.

One Hundred Frenchmen Can't Be Wrong

The newly conceived Cercle Francais has been organized to practice our French conversation, to gain additional knowledge of French manners and customs, to sponsor cultural activities, and to further social friendships among students of French.

Due to its large membership a "get acquainted" party was held at the Ottawa Park Shelter House in November for nearly one hundred members. This was followed by a Christmas "soiree." A lecture tour of the Toledo Museum was conducted in February when we viewed the art treasures dating from the Middle Ages down to the moderns. "Sans Famille," a film of Malot's child classic was sponsored by the French Club, and presented in March for the entire department. In the same month we were fortunate to have the opportunity to go in large groups to Toledo University's presentation of the film "Prenez Garde a la Peinture," a modern comedy, and to our finest cinema treat, "Mayerling." Quel plaisir d'entendre cette belle langue! Plans are under way now for a "soiree musicale" and a French dinner for all French students.

For our first year an enthusiastic Cercle Francais has been well launched on a Bon Voyage. Au revoir a septembre.

José Can You Sí

One Wednesday night of every month, almost one hundred Spanish students drop their native English tongue and chatter on in the musical Latin language. The Spanish Club is truly an aggressive organization. Besides the usual meetings, the students sponsor other activities.

Many members have correspondents in any one of fourteen Spanish-speaking countries. A Thanksgiving basket, a Pan-American Day, and an Alumni Christmas Party comprise other successful ventures. The brightest spot of the year, however, is the gay and spectacular Fiesta. Our second annual Fiesta was indeed a brilliant feast, as a result of the combined ingenuity of the entire Spanish department.

Aufwiedersehen—but Not Goodby

Like other language clubs our club functioned for the purpose of furthering cultural interest in the language. Two semesters as president of the "Deutsche Verein" have convinced me that the purpose is a worthy one, for I can say truly that every member has benefited by his connection with the club. Contact with advisers and other students with the same language interests has broadened our experiences and sympathies.

"*Wenn Freunde aus einander gehn,*
Dann sagen Sie, 'Aufweidersehen'!"

—RICHARD ELMER, *President*

As president of the German Club this semester, I realize more and more the fine things which are being done by language clubs in the school to further understand and appreciate foreign peoples. The programs presented at our meetings are both entertaining and educational. Visit one of our meetings and see for yourself.

Music Makes the Game Go

The "rat-a-tat-tat" of the snares and the "boom-boom-boom" of the big bass drum mark the approach of the DeVilbiss High School Band. A shrill whistle, the swing of the baton, and the drum major gives the "roll-off" signal. The drums beat and the trumpets blare as they swing into the familiar strains of the school song.

Following close upon the heels of our drum major march the flag bearers. Proud to carry the orange and black, these members bear the new flags purchased with the proceeds of our 1937 show, "Music in the Air."

Although we started the year with many new members, our band has developed into a harmonious organization. We have studied such compositions as Wagner's "Lohengrin", Verdi's "Il-Trovatore", Tschaikowsky's "Overture to 1812", and Bizet's "Carmen."

"Time marches on", and so does the band, with the hope that each year we can do our share to keep DeVilbiss High School at the top.

To make DeVilbiss music conscious and to promote good music throughout the student body is the orchestra's aim. To fulfill this aim the orchestra gave a concert, and supplied the glee club with accompaniment for the operetta, "In Arcady." Both of these events were well received by the parents and the student body.

Not only rehearsals occupy the second hour. Miss Bessie Werum, who has been the director of this organization for many years, teaches the students ear-training. She has also brought movies to show to the music enthusiasts how instruments are made and played.

"Turn your partner, promenade the hall"—this wasn't really a country barn dance, but the "Rural Romp" given by the orchestra. At the end of the year, a party was given for the senior members as a farewell to the DeVilbiss High School Orchestra.

—ALVIN KASLE, *President*

Music Hath Charms

Music speaks a cosmopolitan tongue. For each of us it has meaning, be our choice Brahms or Irving Berlin. To sociably encourage that appreciation, the DeVilbiss Music Guild was organized, and although newly formed, it has taken its place in the school's activities.

During the Christmas season the Guild sponsored a series of community sings in the auditorium for the students. This innovation was enthusiastically received and added Christmas spirit to the school. A group of Guild members also took part in the annual Christmas program given by the Library Association.

To climax the social activities of the year, a party was given for the Scott Guild in the Ottawa Park Shelter House.

Sing and the World Sings with You

Were one to pass the auditorium during first hour, he might hear a budding baritone or perhaps a potential prima donna trilling up and down the scale. Those of us who are musically inclined find great pleasure in our first hour class.

The Glee Club is another of DeVilbiss' musical organizations. With Mr. Clarence Ball directing classes daily, the group has not only studied stories of the great operas and the lives of their composers, but has received valuable ear training as well.

"In Arcady" was one of the two operettas produced by the Glee Club for school presentation. Our organization also will participate in the annual Spring Music Festival, which brings to Toledo a guest soloist.

Worth Its Weight in Gold

Editing the 1938 Pot 'O Gold has been for us, its staff members, a new and exciting experience. We knew nothing of the absorbing industry in Mr. Stalker's room; we knew little of the aromatic glue pot until our first encounter with it—only then did we learn of its admirable "sticktoitiveness."

In this, the sixth year of the publication of our annual, we have combined cartoons and candid photographs of student life in and about the classroom. For the first time in its history, the Pot 'O Gold contains color. In it are all the memories that each boy and girl will treasure in future years. And so you have within these covers the product of the efforts of an inexperienced yet industrious staff, who sincerely hope that you will enjoy this pictorial history of a year at DeVilbiss.

We wish to thank our advisers, Miss Florence Cooper, Art; Miss Ruth Smith, Literary; and Mr. D. N. Stalker, Business; to whom we are indebted for their invaluable assistance in editing this book.

Making Headlines

A new style of scholastic journalism introducing "streamline" headlines, cartoons, and gossip-joke columns increased the appeal of the 1937-'38 Prism. The renovated paper was favorably received by the students and it enjoyed a most successful year.

The staff faithfully chronicalled the events of the school year in a pleasing manner which will aid students in remembering their years at DeVilbiss.

The DeVilbiss Digest, launched last year by a committee of juniors, is published to encourage the literary interest of the students. Patterned after *The Reader's Digest*, this bright-colored pocket size magazine features student creative work such as poetry, stories, essays, plays and assigned articles on school activities. A special foreign section appears regularly and novel arrangements add to the attractiveness of the publication. Selection of contents is made by a student committee.

This year's junior committee consists of Patricia Rose, Nedra Daley, Mary Lou Whitney, Lois Konker, Martha Hardy, Gloria Grainger, and Warren Howell. Muriel Singer, Dorothy Merki, Herbert Hansen, and John Claypool of last year's staff serve as an advisory committee.

Although purely social in nature, the Sorelle Social Society feels it performs a more fundamental purpose. The ideal constantly striven for is friendship and understanding. Our meetings are held every two weeks in the homes of members, where informality and high spirits are in order. Tradition, whimsical or otherwise, makes up the club's constitution. Miss Bloom, our adviser, an authority on club custom, is a Sorelle tradition herself. The Faculty Party and formal Farewell Banquet for Seniors are annual affairs and the Sorelle Bridge is by way of becoming a custom after five years of continued success. Then there's the lemon eating habit—it's practically as indispensable as a Mason's secret grip. Another favorite practice is that of giving a corsage to our mothers on Mothers' Day.

In the less traditional manner we leaped into the breach with the first roast of spring, sharing with early robins the delicious odor of hamburgs frying over an open fire. So along with theater parties and innumerable spreads we have had a jolly time. And as for friendship—our ideal—it waxes strong through these comradely activities.

"We believe in service for others, in health of mind and body to fit us for better service, and in world-wide friendship." This is our motto and it expresses the aim of our council.

The purpose of the council is to make every home-room and club interested in Junior Red Cross work, so that they will undertake at least one project a year. This year, nearly forty home-rooms, as well as several clubs, have participated in Junior Red Cross activities.

Each year, the members of Juniors in DeVilbiss has been increasingly large. We hope that eventually DeVilbiss High School students will be participating 100% in service through the Junior Red Cross of America.

Science and Stuff

We are neither museum pieces nor collectors of them—a more lively muse than collectomania leads us on. Science is our guide and purpose, and her natural phases—biology, botany or zoology, especially intrigue us. For those students interested in these fields our constructive programs provide inspiration and widen interests.

Many interesting Toledoans who are outstanding in their fields have kindly given us of their time and knowledge. These have been: Mr. Morrison R. Van Cleve; Mr. Flickinger, curator at Toledo Zoo; and Doctor Danur, professor of mathematics at Toledo University. Miss Lukens, Mr. Featherstone, and Mr. Swisher, members of DeVilbiss faculty, have spoken informally at our meetings and contributed greatly to our insight into our chosen subject. Student speakers also appeared on the programs to present the results of a particular research or interest.

Our natural sciences were judiciously mixed with social pastimes. Field trips were a source of knowledge gained in the most agreeable way. But at one time our sober muse decked herself in levity and abandoned her probing microscope for a purely social diversion. With the Scott science club serving as guests and friends a "Backwards Party" was given. Science, in spite of frivolity, appeared to have a delightful time.

To be a friend to Tad's Library is the purpose of the Library Association. Although a small group, it is an active one.

In order to raise money to augment our library of symphonic musical recordings, the Association sponsored a bridge party for its members, and an afternoon dance, "The Cafeteria Cut-Up."

Programs at regular meetings follow a literary trend under Miss Schueren's advisership.

We directly aided the library by sponsoring a bridge party and an afternoon dance. Our big endeavor this year was to direct the activities of Book Week which was nationally observed during the third week in November. Book Week fosters a better appreciation and understanding of good literature. Auditorium programs were offered to the four classes with Miss Janet Sinclair, Miss Marian Wadsworth, Miss Margot Sanger, and Reverend Walton E. Cole as guest speakers.

Programs at our meetings were centered upon the theme "Women in Various Fields." However we did have our lighter moments—spreads, picnics, and a scavenger hunt. We are very grateful for the able assistance of our adviser, Miss Leah Schuren.

Vim, Vigor, and Versatility

The first and most important purpose of the Girls' Athletic Society, that of furthering the spirit of fair play, is being accomplished by our group through the medium of physical activity. This active quality of the club is supplemented by the social functions. A few of the numerous activities in which we have participated throughout the year, were the annual Coed Ball, patterned after a night in Hollywood, and a Fathers' Party where the girls competed with their fathers for top honors in the various sports. Not to slight our mothers, we entertained them with a tea in the library. The G. A. S., famed for its frolics, again sponsored a successful roller skating party in Memorial Hall. The banquet for departing Seniors held late in the Spring season marked the end of a year's program of fun in sports. We hope that this year has brought forth many successes in our activities, and that we may leave a standard high enough to be deserving of a repeat performance in '39.

It's not "One, two, three strikes—you're out," but "One, two, three strikes—hurrah!" every Tuesday night when the Bowling Club meets. A group of ten-pin enthusiasts during the school year of '36 and '37 founded the club as a means of recreation for those boys who do not have sufficient time to enter other sports. It has but one requirement—ability to bowl. From this organization many members of the interscholastic bowling league have been selected. At the close of the season Mr. Mathias, our supervisor, awards prizes for the best bowling, and medals to the two high-ranking teams. So, "Roll On, DeVilbiss Bowlers, Roll On!"

Eyes and Ears of DeVilbiss

For several years attempts had been made to organize a Camera Club in DeVilbiss. This year, a club was finally organized with the purpose of encouraging the "candid camera bug" and the photographic ability of the members. The pictures used in the various sections of the year book are the fruits of the labor of this organization. At every dance and football game, at all club meetings and assembly programs, some camera club member lurks in the background and looks for prize shots for the Pot O' Gold.

In future years we think that this organization will be a lasting hobby instead of a passing fad.

BOARD

The guiding force of DeVilbiss athletics is a group of the faculty pretentiously called the athletic board. At present the board is composed of seven members. Deciding both matters of finance and policy in our athletic activities, obviously the decisions of the athletic board vitally concern both the school and its student body. It is the duty of this group to select the coaches of our different sports. Among other important activities of the board is the awarding of letters to those who are recommended to it by the coaches of the various athletic teams. Those on the board who hold their positions by means of election do not have permanent seats. Every year a part of the board is selected from the faculty. Miss Kuhman of the office force was selected as secretary for the board this year. Included on the DeVilbiss Athletic Board this year are Principal Merritt Nauts, Athletic Director Norman Pollman, Director of Activities Louis Mathias, Mr. Ralph Swisher, Miss Twila Kuhman (secretary), Miss Mildred Schmidt, and Mr. Samuel B. Emery.

HARRY RICE—*Head Coach*

To head coach Harry Rice and his hard-working assistants goes the credit for the impressive showing of the athletic teams of DeVilbiss this year. An even distribution of work and a well balanced staff have resulted in increased efficiency, the handling of more material with greater ease. The great amount of ability in the school would be wasted if it were not for the exhaustive work of the coaches in seeking out players and interesting them in athletics. DeVilbiss saw a new set-up this year with Mr. Wagner assuming the coaching of basketball in addition to his baseball coaching and his football work. This was done in order to permit Mr. Rice to spend more time on the increasingly difficult job of coaching the football team. The records of Coach Wagner's baseball teams is well known throughout the city and his basketball team of next year promises to show the results of his work this year. Assisting Coach Rice on the football field are Mr. Wagner, Mr. Klee, and Mr. Collins. The increase in the interest in track is due largely to the efforts of Athletic Director and Coach Norman Pollman. As in past years Mr. Swisher is devoting a great deal of his time to golf, and Mr. Mathias is working with the tennis team. No small part of the teams' success is due to the work of "handy man" Joe Collins and Bob Humler, who did yeoman service in keeping the boys in condition to play. The services of "Doc" Rae have been greatly valued by the coaches and the boys, and his work has played an important part in our athletics for several years.

With a high spirit and a great desire to win in addition to actual playing ability, these boys built up records that will be hard to beat. Outstanding performers who gained recognition on the all-city team were Co-captains Hayne and Howard and center Oatis. The tie with Scott and Waite for the championship of the city may be cited as proof of an outstanding season in football for DeVilbiss this year.

Among the awards that are presented for outstanding achievement at DeVilbiss, the Berlin Trophy is one of the most valued and respected. The record that Fritz Howard has made in athletics here makes him a worthy recipient of this honor. What greater satisfaction could a player have than to be chosen the most valuable man on a team with which he has played for four years.

Mr. Nauts presents the "Doc" Berlin Trophy to Fritz Howard.

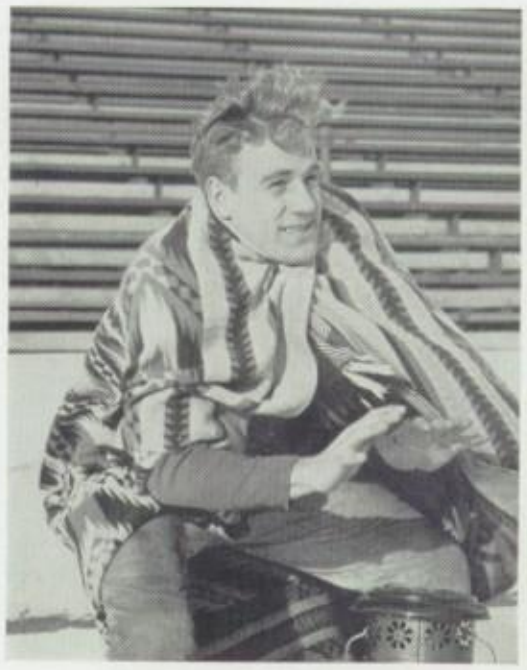
The improvement made by the Cubs this year can clearly be seen by consulting the records. After losing the first two games to Woodward and Libbey, the boys came back to trounce Central, Scott, and Waite in succession. The development of an effective passing attack enabled the team to share the lightweight title with two of its adversaries.

Combining experience, aggressiveness, and love for the game, Fritz was the only member of a talented team to make the all-city football squad. He was voted our team's most valuable player and thus was awarded the "Berlin Trophy." During Christmas vacation, he left to play on the All-Ohio Team in Florida. A great player, a great guy, his name and his deeds will be remembered.



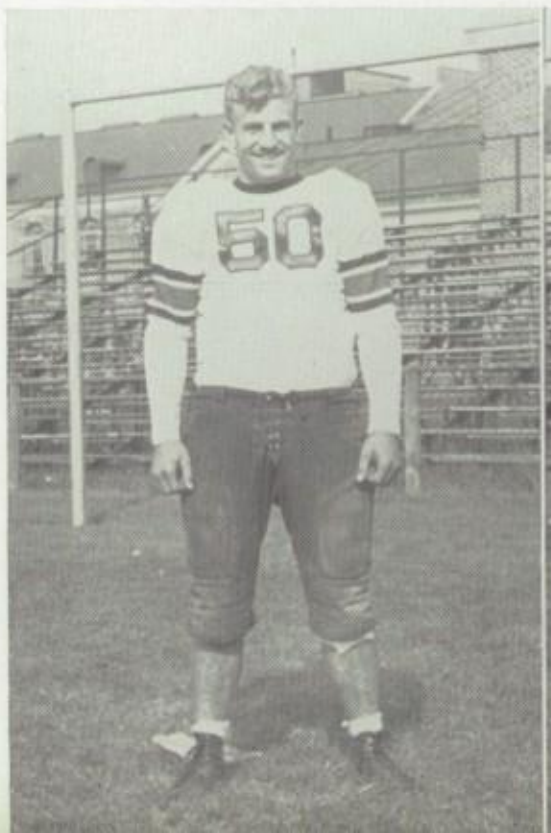
FRITZ HOWARD

VARSITY FOOTBALL

CO-CAPTAINS

Forrest Hayne and Fritz Howard assumed a big responsibility this year, and the team's success can be cited as proof of their playing ability and leadership. Together they helped make our center line the toughest in the city.

HOWARD



HAYNE

VARSITY FOOTBALL

This group of boys made, as well as followed, tradition in football. Their record for spirit and co-operation as well as for winning games is one to set a standard for future teams. More important than the games they won, was the fine morale with which the team played all year.

Of the squad that represented DeVilbiss in 1936, only co-captains and guards, Hayne and Howard, remained around which to build this year's team. DeVilbiss was assured of a strong center line with the return of these two veterans. It was due to the blocking of these men as well as that of the whole line that permitted the light, inexperienced backs to gain yardage. For the first time in several years the team was able to get past that early season obstacle, Scott. After trouncing that school 7-0 it was apparent that the team must be reckoned with in the city race. The fact that but 8 points were scored against the team in city games verifies the statement that DeVilbiss had an exceptionally strong line.

The way in which injuries handicapped the team throughout its season again proved that in order to counteract the inevitable, more boys must be outfitted as freshmen and allowed to learn the game from the bottom up. This would greatly increase both the quality and the quantity of the football material, so that we may be able to stand up under the increasingly heavy schedules.

The interest in football has reached an all time peak this year. Over a hundred boys reported this spring to train for the game. These together with the veterans will make up what promises to be another good team for '38.

Waite 8—DeVilbiss 7. Waite High scored the only points made against DeVilbiss in the city race. This thrilling game played before over 13,000 spectators was a classic, and even though the Tigers lost the game, they were not outplayed or outfought. Waite's team reached its season's peak in this game and for the second straight year nosed DeVilbiss out of an undisputed city championship.

Scott 0—DeVilbiss 7. Scott was favored to win this one but the Tigers kept their all time record of never losing to Scott intact. Vail's generalship was the outstanding offensive weapon for DeVilbiss, while Thorny Dixon, Joe Siemans, Paul Wilson and Bob Dickey who replaced co-captain Fritz Howard, who had a hip injury, played great defensive games.

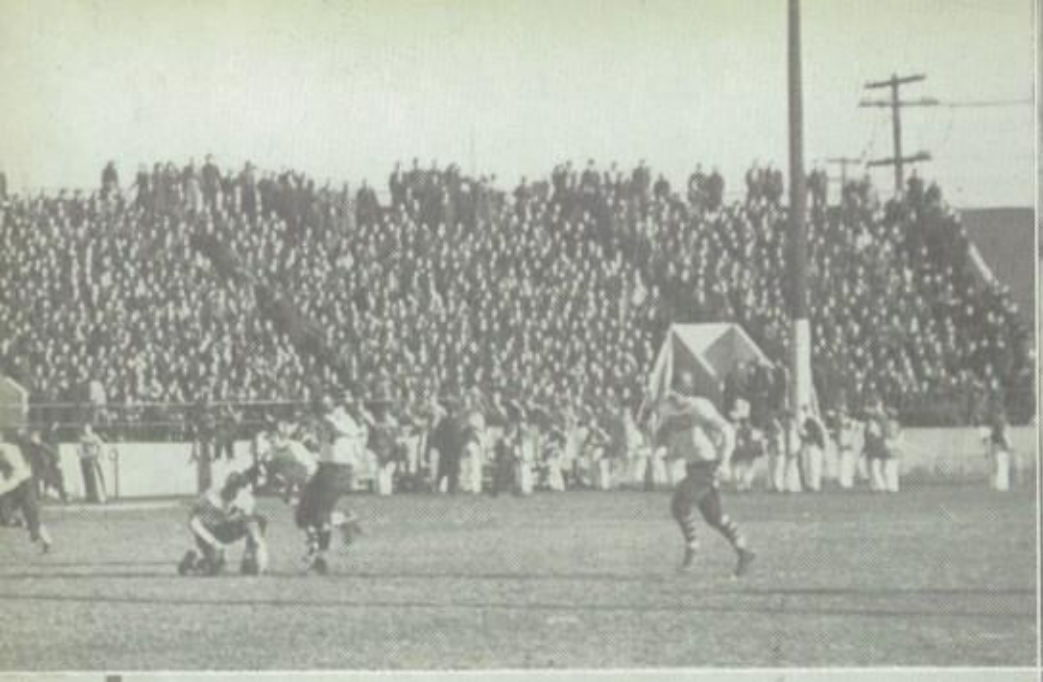
Woodward 0—DeVilbiss 27. The Polar Bears offered some of the toughest opposition of the season until Welch passed to Don Ehrmin, who raced for two sensational touchdowns.

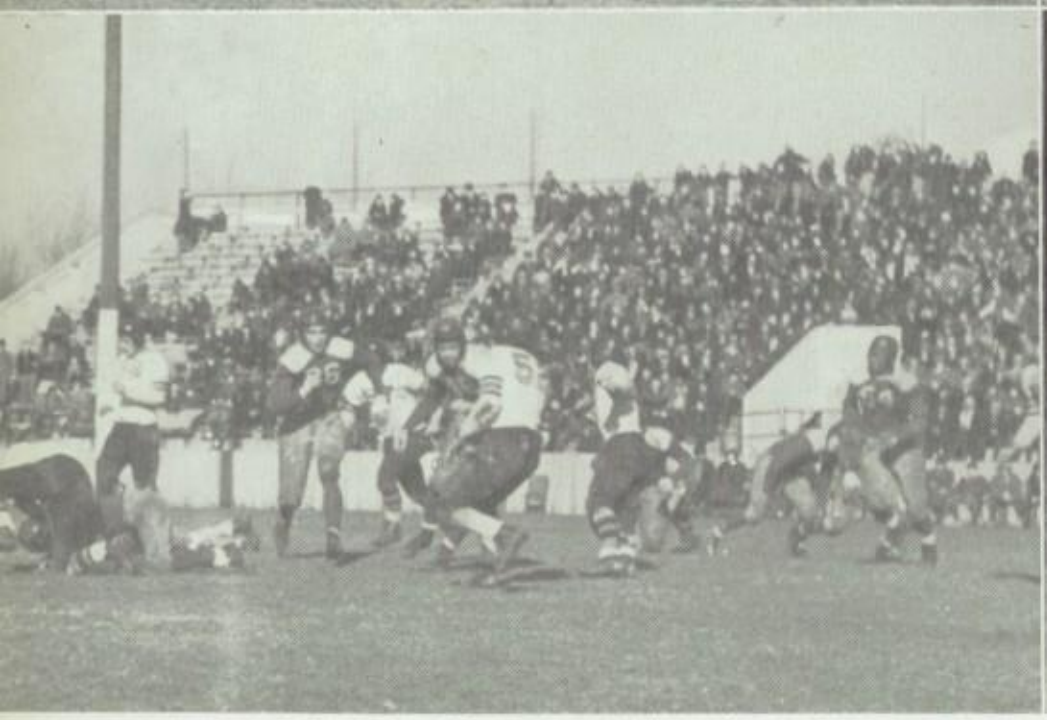
BAUGH

DICKEY

DIXON

GRIFFITH





Libbey 0—DeVilbiss 6. The annual Turkey Day game was as usual, hard fought and thrilling. Griffith broke loose from mid field early in the game and scored behind perfect blocking. From then on it was a dog fight with DeVilbiss getting toward Libbey's 3 yd. line on several occasions, and with Libbey threatening with a passing attack centered around Huston, negro star. Howard, Oatis, Sample, Haynes and Randalls all were outstanding for DeVilbiss.

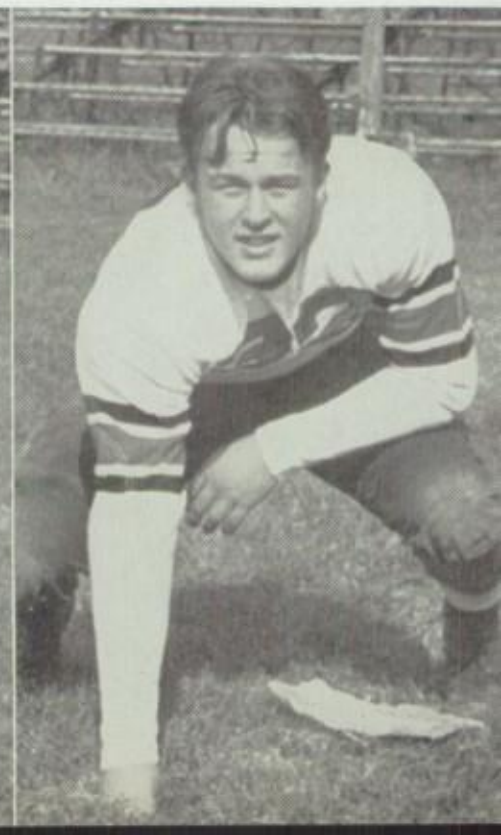
Moline, Ill. 6—DeVilbiss 14. Led by gigantic Flip Andres, all state halfback, Moline brought a fine team to Toledo. The Tigers played perhaps their finest game that night and played clever, inspired football to win. The officials called it the cleanest high school football game they had ever worked. This first football game with the Illinois school should make for a fine and healthy rivalry. They proved to be good losers, and there certainly was no bragging done by the Tigers after that game.

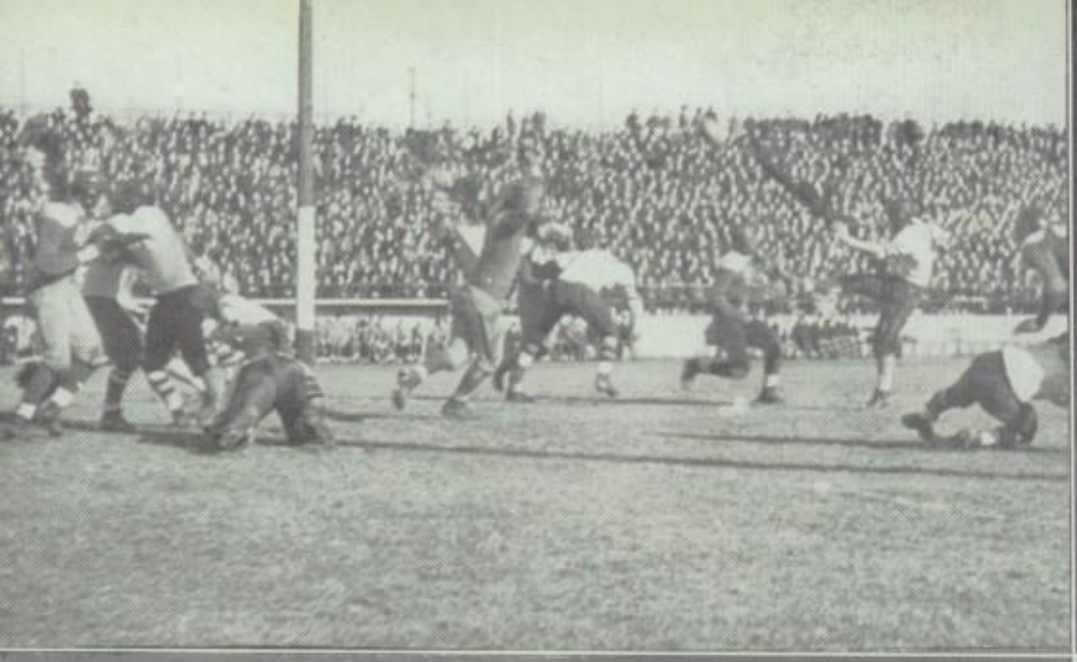
EHRMIN

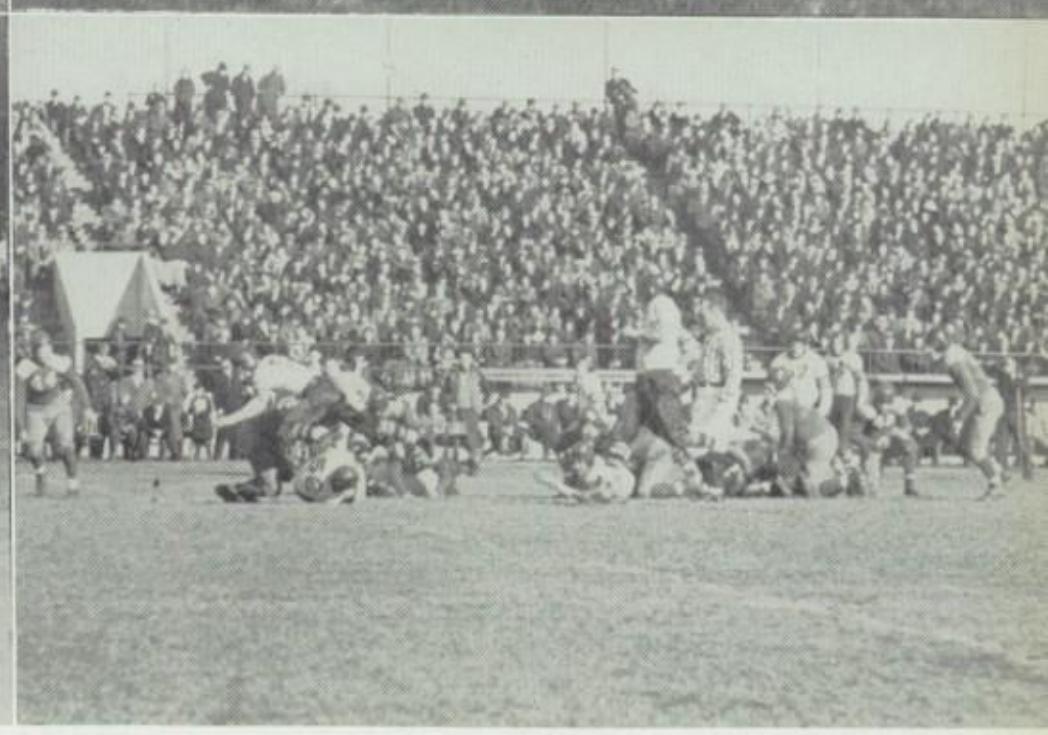
OATIS

RANDALLS

SAMPLE







Central 0—DeVilbiss 27. Dick Welch ran wild behind almost perfect interference and scored on 3 long touchdown runs. The battle got rough and several players were removed from the game. Before the game was very old it was apparent to all observers that the smaller Central team was no match for the Tigers. The blocking was probably the best during the year, and the entire team functioned smoothly.

Portsmouth 16—DeVilbiss 6. A bus accident enroute to Portsmouth did the team no good and gave the squad only about 4 hours sleep. The clever river team secured two touchdowns on passes in the first few minutes of play. Then the Tigers settled down, outfought and outplayed their opponents the rest of the way. Fumbles and dropped passes kept DeVilbiss from scoring on several occasions. Numerous reserves were used in this game.

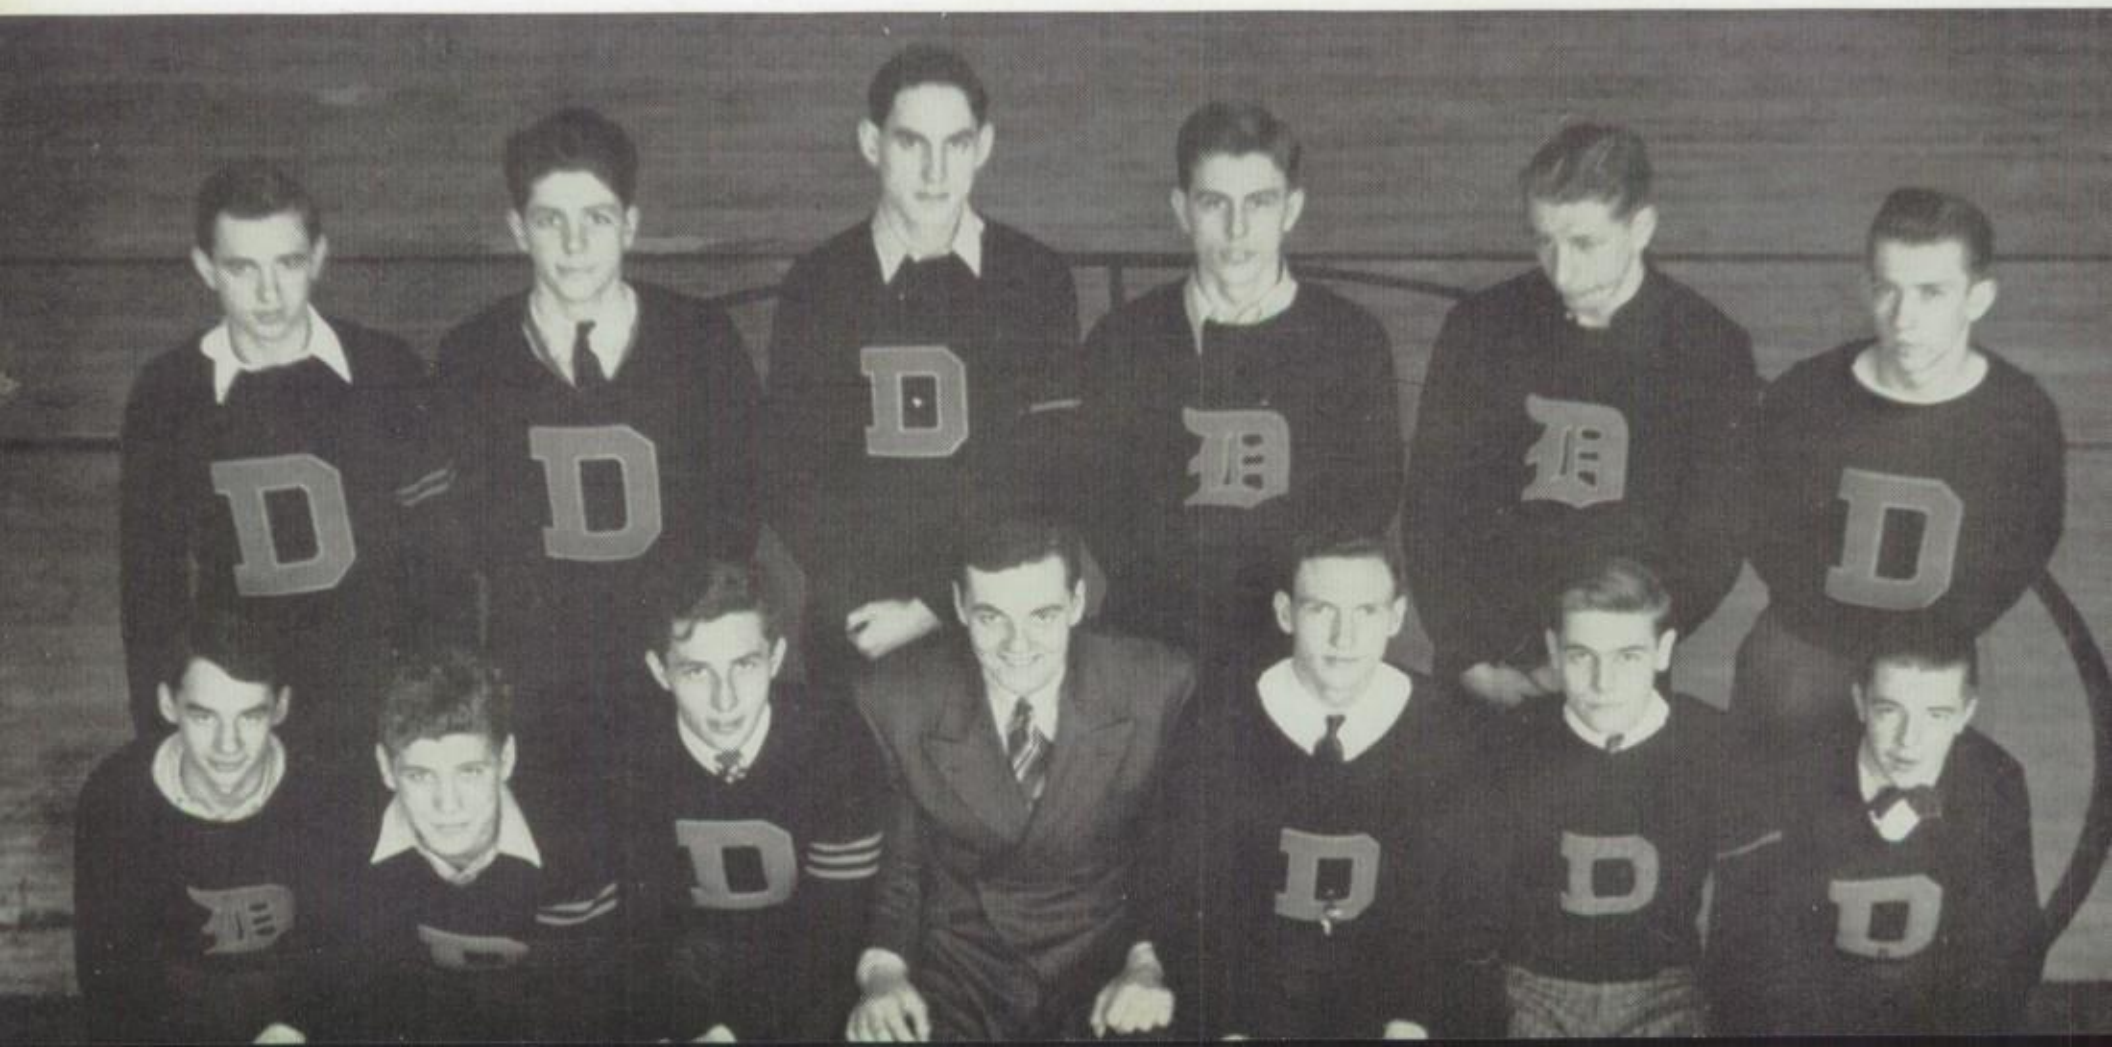
VARSITY BASKETBALL

With but one letter man returning, the Tigers placed a green and inexperienced basketball team on the floor in 1937-38. The team was able to score only eight wins in twenty games throughout the season. In realization of the fact that six of the twelve defeats were by a margin of only five points or less, this record is not so bad as it appears on the surface. Next year the team should profit by the experience that it gained this year. The work of Coach Wagner in building up a team composed mostly of juniors and sophomores will pay dividends in the next two years. All of the starting team but Captain Kearney will be back to play again next year.

Playing for DeVilbiss were Captain Kearney, Charles Folger, Bill Bowman, Joe Siemens, Jack Oatis—seniors; Kenneth Larson, Dick Welch, Edmund Kanney, Philo Dunsmore—juniors; Bill Bennett and Homer Bogart—sophomores.

The Tigers, in spite of their twelve defeats, were able to outscore their opponents during the season 586 to 574 points. They finished fifth in the City League race but placed fourth in both offense and defense among the city schools.

Top Row—D. Welch, Bogart, Dunsmore, Larson, Kanney, B. Bennett. *Bottom Row*—Mgr. Kirkbride, Oatis, Siemens, Kearney, Bowman, Folger, Archie.



KEARNEY

The most important single development of the basketball season was the work of captain and center Bob Kearney. The Tiger's six-foot five-inch pivot man set a new city league scoring record by totaling 155 points and averaging 14 points per game. Bob climaxed the season by making the all-city team and by receiving honorable mention on the Associated Press All-Ohio High School Team. Further laurels fell to him when he was voted the team's most valuable player.

The 1937-38 DeVilbiss "lightweights" ended their eighteen game season with an impressive 51 to 17 victory over the Vocational lightweights. This was the 11th victory of the season as compared to 7 losses. In the city "Lightweight League" the Tiger Cubs broke even with 6 victories and 6 losses. In non-city games the young Tigers defeated Wayne, Port Clinton, Ottawa Hills and Napoleon reserves, and lost 2 point games to Archbold and Defiance. The lightweights scored 453 points to their opponents 367.

The outstanding scorers for the lightweights were Heinie Warmbrun, Jug Wenning, Mack McClure, and Milt Runner. Bob Harter, Dick Oatis, Woody Woodward, Jim Ross and Bob Messerly were the stalwarts of the defense, while Jamra, Pioch, and Snedeker rounded out the squad.

Seasons Record—Won 18—Lost 14.
City League Record—Won 5—Lost 1.

The 1937 Tiger baseball team led by Co-Captains Paul Welch and Gene Schaeffer, captured the City League title for the fourth consecutive year, winning five and losing one. The record for the entire season shows eighteen victories against four defeats.

Highlights of the season's play were the Tigers' three wins over the strong Kenton club; Bob Barclay's long home run in the Central game that cleared the left field fence and landed in the tennis courts or the Tigers' diamond; the Tiger hurlers pitching of three one-hit games and holding their opponents runless on five other occasions.

During the past four years DeVilbiss, in City League competition, has recorded twenty-eight victories against two defeats.

The leading hitters for 1937 were Paul Welch, Bill Luther, John Manore and Gene Schaeffer. Other members of the squad were Bob Barclay, Bob Randalls, Bill Navarro, Gene Warwick, Don Ehrmin, Dick Welch, Bob Hill, Jim Armstrong, Milton Runner, Jim Fruchey, Bob Harter, Bill Miller and Petie Capriotti.

Top—Capriotti, D. Welch, Miller, Hill, Runner, Fruchey, Randalls, Harter, Coach Wagner. *Bottom*—Warwick, Navarro, Armstrong, P. Welch, Schaeffer, Luther, Barclay, Manore, Ehrmin.

TRACK
1937

When the DeVilbiss tracksters ended their season they found themselves second in the city league and second in the district. Although past seasons have reproduced more talented material, several good "finds" were made. Outstanding were Captain Al Carr in the dashes and relays, Perry Kimerer in the high jump and javelin, Bill Luther in the dashes and broad jump, Bill Stewart and Larry Wichter in the hurdles, Lester Keller in the pole vault, Bob DeShetler in the 440 yard dash, and Dick Curtis in the half mile.

The thin-clads nosed out Bryan in the district meet to finish second behind Scott. DeVilbiss garnered thirty-two points in an invitational meet at Ohio University, finishing first ahead of Cleveland Heights which made twenty-one points. The Tigers were not so fortunate at Mansfield and Ohio Wesleyan where they finished "well down the list."

Boys, upon whom the success of this year's track team will depend, include Captain-elect Bill Stewart, Lester Keller, Bill Spohn, Bob DeShetler, Dick Curtis, George Urschell, Jim Vail, Fred Cross, Bob Kearney, Bill Griffith, Bill McMann, Philo Dunsmore, and Al Hoffman.

1937

To recompense the Tiger runners for the loss of most of its meets were the outstanding performances of Dick Curtis. In spite of his size, Dick's stamina and endurance made him the most outstanding distance runner in the city. Besides winning first place in the district meet, Curtis was undefeated in all dual meets coming out with first each time. His winning of a third in the State Meet came as a climax to his fine individual performances all season. Bob DeShetler also did well in most of the meets and should be better next year. Other members of the DeVilbiss Cross-Country Team were Fred Cross, Bob Kurtz, Philip Krull, Krupp, Sowers, Thomas Sperry, Henry, and Cottle.

Due to the return of practically all of these runners, this year's team should produce a more enviable record.

In spite of the lack of material, facilitated practice, backing of the student body, and mediocre competition, the spirit of the team won it recognition. Potent factors in the success of the tankers were the coaching of Ben Grady and the leadership of co-captains Chuck Bowers and Herb Hansen. The season began with a loss to the State Championship Fremont team. Following a close defeat to Scott, the Tigers took revenge on Mansfield. Before Waite and Adrian took the count, the strong Sandusky team felled our boys. With Corwin, Knecht, Tate, Hansen, and Bowers all placing in the first ten in the State meet, the Tigers achieved their peak. Scott and Waite met defeat at the hands of the team as it took third place in the District Meet.

As in past years, the swimmers had to do their practicing in the Y. M. C. A. and Scott pools.

Outstanding in meets were Corwin, highpoint man and back and breast stroker; Knecht, 220 free-styler; Hansen and Bowers, free style sprinters; and Tate, diver. Other point winners were Maher, Perry, Stockstiel, Rauch, Pomeroy, Albrecht, Steel, Swartzbaugh, Krull, Holton, and Hunter.

Corwin and Tate will form the nucleus of next year's squad which will suffer greatly from the loss of this year's seniors.

GOLF • TENNIS

1937

Marok, O'Neill, Figley, Elmer, and Martin proved to be the most consistent shotmakers of the Golf Squad this year. Becker, Subzak, and Lindberg added highly important points to the 147½ total made by the team. Kumler, Furney, and Jones rounded out the squad.

The team won all ten of its matches and allowed no team to even approach its record. The scores are based on a possible 18 points. In each match six men were allowed to play for each squad. By winning his match the player awarded his team three points.

Although the squad lost some its material last year, there's sure to be a capable team to represent DeVilbiss on the links this spring.

Seven men composed the DeVilbiss Tennis Team of 1937. Hansen and Wiseman usually played in the singles matches while Nemeyer, Bishop, Peterson, and Bowman made up the two doubles teams. Wandling substituted in either the singles or doubles play.

The play in the City League consisted of two doubles and two singles matches. A total of eight points was awarded; the winner of each set getting one point. The scores were figured on this basis.

With Nemeyer, Peterson, and Wiseman being lost to the squad this year through graduation, the team will have to depend on the other four to form the neucleus for the 1938 season.

MANAGERS

Outstanding in the point of service to the school is the work of the managers of our athletic teams. The tangible rewards for the hours that they spend and the work that they do are few. Any praise that these boys receive is justly deserved. Managers who received letters are Hanhlen, track; Barr and Balduf, baseball; Robins, basketball; Myers, swimming; and Chenevert and Conklin, football.

CHEERLEADERS

Foremost in the duties of the cheerleaders is the stimulation of school spirit. During the very successful football season this job was comparatively easy. Later, however, the boys encountered a more difficult task. The leading of cheers both in the auditorium and on the various fields of combat was part of their work. The time they spent was for the good of the school and its student body, and the boys deserve credit and recognition.

BOXING

Under the direction of Athletic Director Norm Pollman and Commissioner of Athletics Ed. Lange, far more student interest was manifested in this sport than ever before. The tournament was begun after school, but the later bouts took place during the home room period. Of the fifty boys who entered, eight emerged with titles.

Judges for the bouts included Mr. Rice, Mr. Burns, Mr. Collins, Mr. Diller, Mr. Vail, and Mr. Romberger. George Urschell acted as time keeper and Ed. Lange as referree.

BASKETBALL

Although the scoring was low in most of the games, competition ran very high. The winners of the Freshman and Junior Leagues fought it out in the semi-finals with Miss Bloom's Juniors pulling out a victory. In the battle between the Seniors and the Sophomores, Mr. Rice's gang won to enter the final playoff. The championship of the school was won by Mr. Rice's Senior homeroom, 24-9.

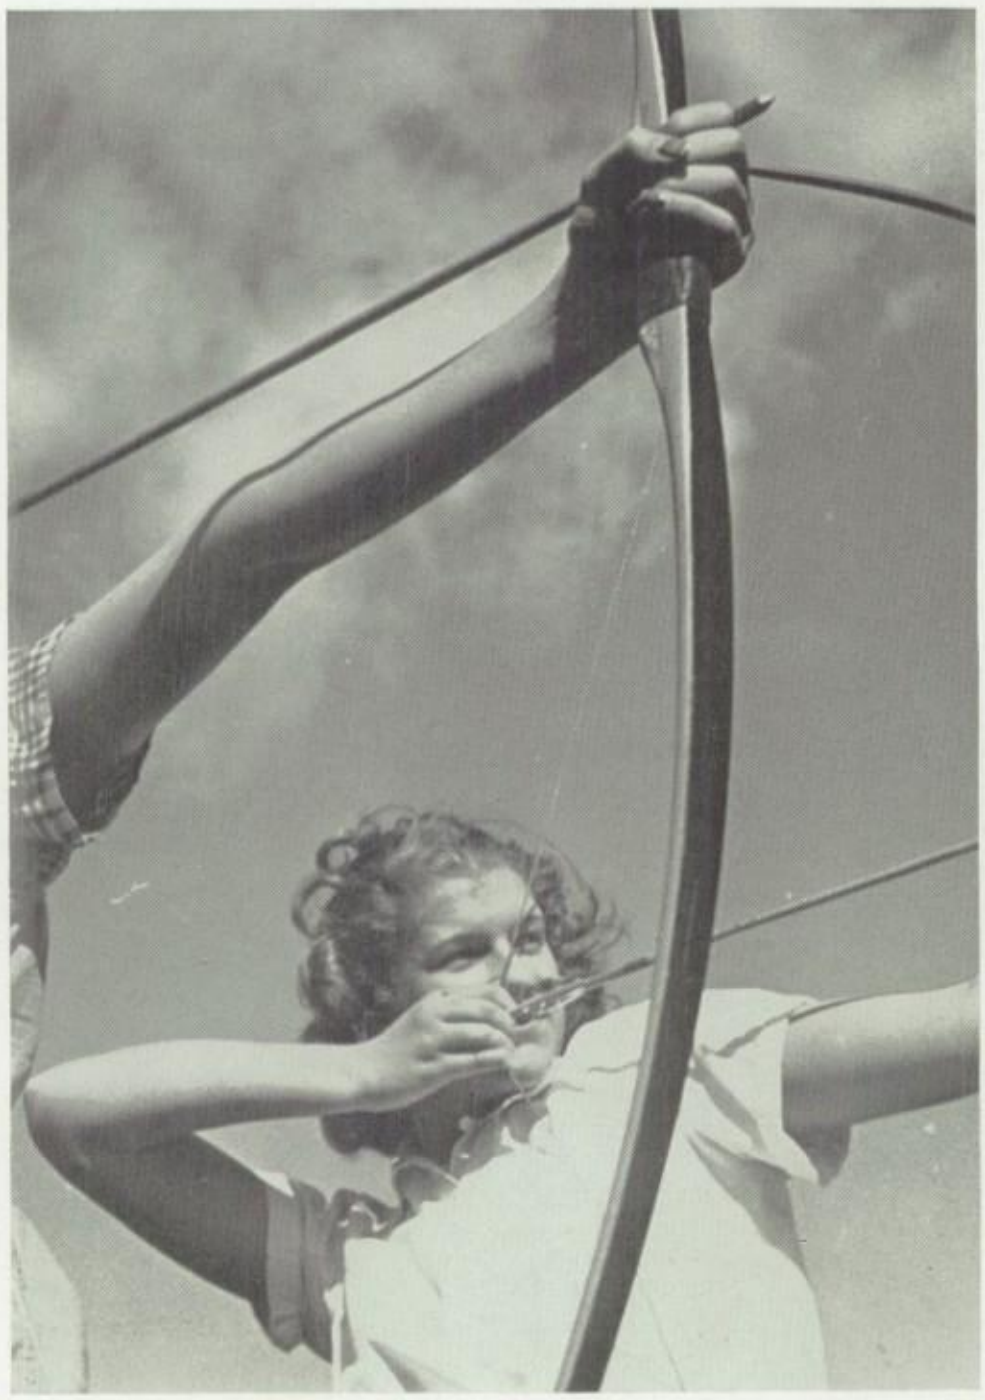
GIRLS' ATHLETICS

The girls' athletic program was made especially attractive under the diligent planning of the three gym instructors, Miss Elsie Gottshall, Mrs. Sybil Sharpe, and Mrs. Mary Laurimore. To promote interest in a healthy body the girls had a schedule that created competition, sportsmanship, and leadership.

Hockey ushered in the fall season for the juniors and seniors; soccer, for the sophomores; field-ball, for the freshmen.

To enthusiasts of the sport, swimming was offered in the Scott pool every Wednesday; tumbling, modern dance, and table tennis, after school. Modern dance, newly presented this year, is a required course for juniors and seniors, tap dancing, for freshmen and sophomores.



With the coming of spring, baseball, tennis, deck-tennis, archery, and badminton were introduced again. To terminate another successful year in girls' sports, the gym classes participated in a baseball tournament to determine winner of this spring avocation.

Archery is offered in the spring to every girl who has shown interest in after school intramurals, or in gym classes. Many skillful sharp-shooters are developed each year.

INTRA-MURALS

So that the girls may maintain a high standing in athletics and have an opportunity to participate in sports outside of the physical education classes, a complete and well-balanced program is presented.

Intra-murals offer athletic activities which consist of hockey, soccer, fieldball, baseball, badminton, deck tennis, archery, and tennis, in order to facilitate those working to obtain a letter.

Points can be obtained by being a "leader", which consists in refereeing games, distributing and collecting the equipment, and officiating over the class in general.

A successful intra-mural season closed with the awarding of letters to those who had earned the necessary number of points—requirements for a year's work in intra-murals and regular class work.
